Company

PROFILE

We are a leading manufacturer of vitrified homogeneous porcelain tiles in Malaysia. Since our inception we have strived to develop a reputation for superior quality and delivery reliability. Utilizing progressive manufacturing processes with Italian machinery and technology, we are focused on producing high quality tiles in various formats, textures and finishes. Together with an efficient delivery network, we have been able to meet the unique requirements of our customers and have since established a loyal customer base.

In 1998, we embarked on the production of "decorated" textured porcelain tiles and have since gained recognition for this range, establishing a strong domestic and export market presence. The Company is poised to expand its range of "decorated" tiles by further enhancing its manufacturing facilities and the adoption of new production methods.

TECHNICAL Specifications

Please note : The accuracy of colours shown in this brochure are close as the printing process will allow. Slight variations in size and shade are inherent in the manufacture of porcelain tiles. It is recommended that several cartons are opened and their contents checked and assembled to achieve an ideal shade combination. It is recommended to leave a filling gap of 3mm to 6mm during tiling. Specifications are valid for non-polished surfaces.

Type of Test		Test Method	International Standard	Seacera Typical Standard
Dimension	Length & Width	ISO 10545 - 2	± 0.6 %	± 0.30 %
	Thickness	ISO 10545 - 2	± 5 %	± 3 %
	Straightness of Sides	ISO 10545 - 2	± 0.5 %	± 0.25 %
	Rectangularity	ISO 10545 - 2	± 0.6 %	± 0.30 %
Flatness of Surface	Centre Curvature	ISO 10545 - 2	± 0.5 %	± 0.25 %
	Warpage	ISO 10545 - 2	± 0.5 %	± 0.25 %
	Edge Curvature	ISO 10545 - 2	± 0.5 %	± 0.25 %
Water Absorption		ISO 10545 - 3	≤ 0.5 %	≤ 0.1 %
Modulus of Rupture		ISO 10545 - 4	Min. 35 N/mm ²	> 40 N /mm ²
Breaking Strength		ISO 10545 - 4	> 1300 N	> 1600 N
Deep Abrasion Test		ISO 10545 - 6	Max. 175 mm ³	Max. 145 mm ³
Chemical Resistance		ISO 10545 - 13	No visible changes	No visible changes
Stain Resistance		ISO 10545 - 14	Min. Class 3	Class 5
